

SICO Capital Money Market Fund Annual Report 2023

a. Investment Fund Information

1) Name of investment fund.

SICO Capital Money Market Fund (the "Fund")

2) Investment objectives & policies

The Fund seeks to invest in Sharia-compliant money market instruments and maximize short-term capital growth while preserving the invested capital. The Fund aims also at achieving investment returns for investors greater than the Fund's benchmark index, i.e. SAIBOR (one-month Saudi Arabia Interbank Offered Rate). Investors can view the performance of the index on Bloomberg, Reuters, or other related financial platforms.

3) Distribution of income and gain policy

All profit will be reinvested in the Fund. No income will be distributed to Unitholders.

4) The Fund's reports are available upon request free of charge and it is available on SICO Capital Website & Tadawul Websites.

5) Description of the fund's benchmark and the service provider's website (if any)

SAIBOR (one-month Saudi Arabia Interbank Offered Rate). Investors can view the performance of the index on Bloomberg, Thomson Reuters, or other related financial platforms. All information about SAIBOR One Month rates are also available on Saudi Arabian Monetary Authority (SAMA) website www.sama.gov.sa.

d) The bases for calculating the performance data

The performance data is calculated on NAV/unit basis on each valuation day.

3) Material Changes

There were no material changes during the period that affected the Fund's performance.

4) Exercising of Voting Rights

No voting is required.

5) Fund board :

e) Names of Fund Board members

- Fadhel Makhlooq – non-independent member and Chairman of the Board of Directors
- Mohammad AlMangour – independent member
- Amr Al Amr - independent member
- Ali Marshad- non-independent member

f) A brief about of the fund board members' qualifications

Fadhel Makhlooq

Mr. Fadhel Makhlooq is the CEO of SICO Capital Company and the Chief Capital Markets Office at SICO BSC (c) and has over 36 years of professional experience. Fadhel Makhlooq joined SICO in 2004 as Head of Brokerage before being appointed Head of Investments & Treasury in 2008. He was reappointed as Head of Brokerage in 2010 and then assumed the position of Chief Capital Markets Officer in 2018. Prior to joining SICO, he worked for a number of leading financial institutions including Investcorp and Chemical Bank (now JPM Morgan Chase). Fadhel holds an MBA from Glamorgan University, UK. He is also a board member of SICO subsidiary, SICO Financial Brokerage in Abu Dhabi.

Mohammad Al Mangour

Mr. Mohammad Al Mangour is a VP of Portfolio Management at Saudi Agricultural & Livestock Investment Co ("SALIC"), based in Riyadh. He is responsible for a portfolio of investments in global and local companies with a total value of USD 3.2 billion. Moreover, he is responsible for sourcing and executing M&A deals for SALIC.

He has an aggregate work experience of 17 years in the investment field. Through his experience, he has been involved in numerous strategic transactions, including originating & executing private equity transactions, overseeing taking companies public, advising on M&A transactions, and raising funds from debt capital markets for clients. He

holds a BSc in Finance from Prince Sultan University and is a CFA and CAIA charter holder.

Amr Al Amr

Mr. Amr Al Amr holds an MBA from Concordia University, California, and has more than 25 years of banking, investment and insurance experience in the local and international markets. He held leadership positions in Samba Financial Group and the National Cooperative Insurance Company. He also worked for the HSBC Group in California. He joined the Abana Group in 2004, and during the past years he held several positions within the company until he held the position of CEO in the beginning of 2021. Previously, he was a member of investment fund boards at Audi Capital, and he is currently a member of the board of directors of GIB Capital funds.

Ali Marshad

Ali Marshad is the Head of Asset Management Fixed Income with over 14 years of industry experience. He joined SICO in 2008 and set up the fixed income desk after having previously worked as an analyst in the United Kingdom for Mercer Investment Consulting. He also worked as a performance analyst for UBS Global Asset Management London and has been a Chartered Financial Analyst since 2013.

g) Description of the roles and responsibilities of the Fund Board

- Approving material contracts, decisions and reports involving the public fund, including, but not limited to, contracts for the provision of fund management services, contracts for the provision of custody services but excluding contracts entered into pursuant to investment decisions regarding underlying investments made or to be made by the fund;
- Approve a written policy in regards to the voting rights related to the public fund assets as applicable.
- Overseeing and, where appropriate, approving or ratifying any conflicts of interest the fund manager has identified;
- Meeting at least twice annually with the fund manager's compliance committee or its compliance officer to review the fund manager's compliance with all applicable rules, laws and regulations, including (without limitation) the requirements of these Regulations;
- Approving all changes stipulated in Articles (62) and (63) of these Regulations before the fund manager obtains the approval or notification of the unitholders and the Authority (as applicable);

- Confirming the completeness and accuracy (complete, clear, accurate, and not misleading), and compliance with these Regulations, of the Terms and Conditions and of any other document, contractual or otherwise, that includes disclosures relating to the public fund and/or the fund manager and its conduct of the public fund;
- Ensuring that the fund manager carries out its obligations in the best interests of the unitholders, in accordance with these Regulations, the Fund's Terms and Conditions; Assessing the mechanism of the fund manager's handling of the risks related to the fund's assets in accordance with the fund manager's policies and procedures that detect the fund's risks and how to treat such risks.
- Demonstrating a fiduciary duty to Unitholders, including a duty to act in good faith, a duty to act in the best interests of Unitholders and a duty to exercise all reasonable care and skill.
- Taking minutes of meetings that provide all deliberations and facts of the meetings and the decisions taken by the fund's board of director.
- Reviewing the report that includes assessment of the performance and quality of services provided by the parties involved in providing significant services to the fund referred to in Paragraph (l) of Article (9) of IFRs, in order to ensure that the fund manager fulfils his responsibilities in the interest of unitholders in accordance with the Fund's Terms and Conditions and the provisions stipulated in IFRs;
- Review the report containing all complaints and the measures taken regarding them referred to in Paragraph (m) of Article (9) of IFRs, in order to ensure that the fund manager carries out his responsibilities in a way that serves the interest of unitholders in accordance with the Fund's Terms and Conditions and what contained in this Regulation.
- Approving the appointment of the external Auditor nominated by the Fund Manager.

h) Details on the remuneration of fund board members

SR 5,000 per meeting per independent member up to a maximum of SR10,000 per annum for each independent member calculated daily and deducted after attending the meeting. The total remuneration for the independent members shall not exceed SR 20,000 per annum.

i) A statement of any conflict or potential conflict of interest between the interests of a fund board member and the interests of the fund

Members of the Fund Board may be members of other funds that may seek investment objectives similar to those of the Fund. Therefore, in the exercise of its business, a member of the Fund Board may find himself in a situation of potential conflict of duties or interests with one or more funds. However, in such cases, the member shall take into account his obligations to act in the best interests of the Unitholders to the maximum practicable extent and not to overlook his obligations to his other clients when he considers any investment that may involve a potential conflict of interest, and in situations requiring voting, that Member shall refrain from doing so. To the date of issuing this report, the Fund Manager acknowledges that there is no conflict between the interests of the members of the board of directors and the interests of the Fund.

j) Funds boards that the relevant board member is participating in

k) Topics discussed and issued resolutions, as well as the fund performance and fund achievement of its objectives.

The Fund held two Board meetings during the year 2023, which took place on September 14, 2023, and December 14, 2023. The meetings covered various important topics, including:

- Discussion of the Fund's performance and investment strategy.
- Evaluation of the Fund's service providers.
- Disclosure and examination of any potential inconsistencies or irregularities within the Fund.
- Disclosure of investments made by related parties and ratification for investors holding more than 5% of the Fund size.
- Review of any regulatory breaches and development of corrective plans.
- Review and discussion of compliance reports with the compliance officer.
- Review of Fund Risk Report with CRO to evaluate potential risks.

c. Fund Manager

1) Name and address of the fund manager.

SICO Capital Company
King Fahd Road -CMC Tower – 5th Floor
P.O.Box 64666 Riyadh 11546 Kingdom of Saudi Arabia
Tel: +966-8001010008 Fax: +966-11-279-9515
Website: www.sicocapital.com
Email: info@sicocapital.com

2) A review of the investment activities during the period

In the past year, money market investors have continued to benefit from historically high interest rates. In 2023, the US Federal Reserve implemented a series of interest rate hikes, resulting in a total increase of 100 basis points. This brought the Federal Funds Rate in the U.S. to a range of 5.25-5.50%. However, it is important to note that despite the Federal Reserve's efforts to curb inflation, there have been substantial jumps in the budget deficit, and debt levels continue to rise alongside record interest rates. Additionally, the year witnessed collapses in regional banks, further impacting the financial industry.

As the year concluded, the 3-month Saudi interbank rate stood at 6.23%, while the 12-month rate reached 6%. Looking ahead, we anticipate the Federal Reserve to maintain these elevated interest rate levels until the end of the third quarter of 2024. Subsequently, a gradual reduction is expected as inflation comes under control. This outlook creates a favorable environment for investors in the SICO Capital Money Market Fund, with potential opportunities to maximize returns within the prevailing market conditions.

During 2023, given the funds' investment objectives it continued on focusing primarily on Murabaha placements with local and GCC Counterparties. The liquidity and maturity profile was managed in a way that enabled it to take advantage of periods of higher rates on deposits, and retaining its short- medium term maturity profile within the fund's guidelines and CMA regulations.

Looking forward, the fund will continue to focus on generating sustainable returns for investors, allocating resources to quality money market counterparties. The fund will focus on finding opportunities that can offer favorable risk-adjusted returns.

3) A report of investment fund's performance during the period

For the full year of 2023, SICO Capital Money Market fund delivered a net return of 4.57%, underperforming its benchmark (one-month Saudi Arabia Interbank Offered Rate) of 5.72% by 116 bps. Since inception, the fund delivered an annualized return of 3.08% over performing its benchmark by 0.62 bps.

4) Details of any material changes to the Fund's Terms and Conditions (for a public fund) or fund documents (for private fund) made during the period

The Fund Manager made changes to the terms and conditions of the Fund. Material changes include:

- Change in the membership of the Board of Directors of the SICO Capital Money Market Fund due to the resignation of the board member Mr. Ibrahim Fattani (non- independent).
- Appointment of Ernst & Young Professional Services as the Fund's auditor instead of Al-Bassam and Al-Nimr Allied Accountants - PKF. As a result, the annual fees increased to SAR 47,500 from SAR 20,000. The Fund Manager believes that this appointment serves the best interests of the Fund as it will enhance the quality and effectiveness of the auditing process.
- Amendments to reflect the implementation of the rules for collecting zakat from investors in investment funds.

5) Any other information that would enable unitholders to make an informed judgment about the fund's activities during the period

N/A.

6) Where an investment fund invests substantially in other investment funds, a statement must disclose on the proportion of the management fees charged to the fund itself and to funds in which the funds invests

The management fee of the Fund 0.30% of NAV. The following table provides data on other investment funds:

Fund Name	Fund Manager	Management Fee
Itqan Fund for Murabaha and Sukuk	Itqan Capital	0.25% of Net Asset Value
Riyad SAR Diversified Trading Fund	Riyad Capital	0.50% of Net Asset Value
Alinma SAR Liquidity Fund	Alinma Invest	0.20% of the fund's net returns.

7) Special commission received by the fund manager during the period

N/A.

8) Any other data and other information required by these Regulations to be included in this report

a) Investment Limits Violations

A violation of the Investment Funds Regulations was detected due to an act of the fund manager, specifically Article (54), point (h), which instructs the fund manager to maintain liquidity equaling to at least 10% of the fund's net assets value. The breach lasted for two days from 05/11/2023 to 07/11/2023, where the liquidity ratio was 9.77%.

9) Period for the management of the person registered as fund manager

Since 2023.

10) A disclosure of the expense ratio of each underlying fund at end of year and the weighted average expense ratio of all underlying funds that invested in (where applicable)

The expense ratio for the year 2023 was 0.57%.

d. Custodian

1) Name and address of custodian.

Riyad Capital Company
6775 Takhassusi Street - Olaya
Riyadh 12331-3712, Kingdom of Saudi Arabia
PO Box 21116 Zip Code: 11475
Tel: +966 11 4865866 / 4865898 Fax: +966 114865859
Website: www.riyadcapital.com
Email: rcss@riyadcapital.com

2) A brief description of its duties and responsibilities.

- The custodian is responsible for his obligations in accordance with the provisions of the investment funds regulations, whether he performs his responsibilities directly or assigns them to a third party under the provisions of the investment funds regulations and the regulations of financial market institutions.
- The custodian is responsible towards the fund manager and unit holders for the fund's losses resulting from its fraud, negligence, misconduct or willful negligence.
- The custodian is responsible for preserving and protecting the assets of the fund for the benefit of the unit holders, and is also responsible for

taking all necessary administrative procedures in relation to the preservation of the fund's assets.

e. Fund Operator

1) Name and address of fund operator.

SICO Capital Company
King Fahd Road -CMC Tower – 5th Floor
P.O.Box 64666 Riyadh 13542 Kingdom of Saudi Arabia
Tel: 8001010008
Website: www.sicocapital.com
Email: info@sicocapital.com

2) A brief description of its duties and responsibilities.

- The fund operator is responsible for the full and fair evaluation of the fund's assets.
- The fund operator shall compensate all affected unit holders (including previous unit holders) for all valuation or pricing errors without delay.
- The fund operator must prepare and keep a register of unit owners in the Kingdom.

f. Auditor

1) Name and address of auditor.

Ernst & Young Professional Services – EY
King Fahad Road- AlFaisaliah Tower -14th Floor
P.O. Box 2732 Riyadh 11461

**INDEPENDENT AUDITOR’S REPORT
TO THE UNITHOLDERS OF SICO CAPITAL MONEY MARKET FUND
(MANAGED BY SICO CAPITAL COMPANY)**

Opinion

We have audited the financial statements of SICO Capital Money Market Fund (the “Fund”) managed by SICO Capital Company (the “Fund Manager”), which comprise the statement of financial position as at 31 December 2023, and the statement of comprehensive income / (loss), statement of changes in net assets (equity) attributable to the unitholders and statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Fund as at 31 December 2023, and its financial performance and its cash flows for the year then ended in accordance with International Financial Reporting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia. Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Fund in accordance with the International Code of Ethics for Professional Accountants (including International Independence Standards) that is endorsed in the Kingdom of Saudi Arabia that is relevant to our audit of the financial statements, and we have fulfilled our other ethical responsibilities in accordance with that code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Fund manager is responsible for the other information in the Fund’s annual report. Other information consists of the information included in the Fund’s 2023 annual report, other than the financial statements and our auditors’ report thereon. The annual report is expected to be made available to us after the date of this auditors’ report.

Our opinion on the financial statements does not cover the other information, and we will not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the Fund’s annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with International Financial Reporting Standards that are endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements that are endorsed by the Saudi Organization for Chartered and Professional Accountants, the applicable provisions of the Investment Funds Regulations issued by the Board of the Capital Market Authority, and the Fund’s terms and conditions and the Information Memorandum, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

**INDEPENDENT AUDITOR'S REPORT
TO THE UNITHOLDERS OF SICO CAPITAL MONEY MARKET FUND
(MANAGED BY SICO CAPITAL COMPANY) (Continued)**

**Responsibilities of Management and Those Charged with Governance for the Financial Statements
(Continued)**

In preparing the financial statements, management is responsible for assessing the Fund's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Fund or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Fund's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with

International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Fund's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Fund to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

**INDEPENDENT AUDITOR'S REPORT
TO THE UNITHOLDERS OF SICO CAPITAL MONEY MARKET FUND
(MANAGED BY SICO CAPITAL COMPANY)(Continued)**

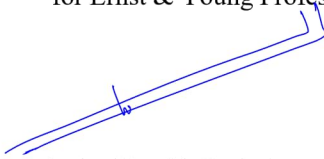

Auditor's Responsibilities for the Audit of the Financial Statements (Continued)

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matter

The financial statements of the fund for the year ended December 31, 2022 were audited by another auditor who expressed an unmodified opinion on those statements on March 30, 2023.

SICO CAPITAL MONEY MARKET FUND

Statement of cash flows

For the year ended 31 December 2023

	<i>Notes</i>	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)
CASH FLOWS FROM OPERATING ACTIVITIES			
Net income for the year		3,380,538	6,437,139
<i>Adjustments for:</i>			
Unrealized (loss) / gain on FVTPL investments	8	(4,535,376)	(965,142)
		(1,154,838)	5,471,997
Changes in operating assets:		53,857,111	10,959,836
Investments carried at FVTPL		9,017,756	80,475,008
Investments carried at amortized cost-Murabaha	9	778	(8,055,222)
Investments carried at amortized cost Sukuk	10		
Changes in operating liabilities:			
Accrued expenses	11	(148,354)	368,484
Net cash generated from operating activities		61,572,453	89,220,103
CASH FLOWS FROM FINANCING ACTIVITIES			
Proceeds from issuance of units		60,472,440	278,107,491
Redemptions of the units		(180,909,144)	(342,012,969)
Net cash used in financing activities		(120,436,704)	(63,905,478)
NET DECREASE IN CASH AND CASH EQUIVALENTS:			
		(58,864,251)	25,314,625
Cash and cash equivalents at beginning of the year		59,603,027	34,288,402
CASH AND CASH EQUIVALENTS AT END OF THE YEAR			
		738,776	59,603,027

The accompanying notes 1 to 21 form an integral part of these financial statements

1. INCORPORATION AND ACTIVITIES

The SICO Capital Money Market Fund (the "Fund") is an open-ended mutual fund established and managed through an agreement between SICO Capital Company (the "Fund Manager") - a Saudi Closed Joint Stock Company (the "Fund Manager") and investors (the "Unitholder") in the Fund. The address of the Fund Manager is as follows:

SICO Capital Company
7702 King Fahad Road (5th Floor)
Al Malqa District
Riyadh 13542
P.O. Box 64666

The Fund commenced its operations on 25 Sha'ban 1437H (corresponding to June 01, 2016)

In dealing with the unit holders, the Fund Manager considers the Fund as an independent unit. Accordingly, the Fund Manager prepares separate financial statements for the Fund. Furthermore, unit holders are considered to be owners of the assets of the Fund.

The principal investment objective of the Fund is to invest in Sharia-compliant money market funds, placements and other money market instruments in order to maximize medium-term capital growth while preserving the invested capital by investing in Saudi Riyal and US dollar currencies.

Units were initially offered at a price of SAR 10 per unit, with a minimum initial subscription amount to SAR 10,000.

2. REGULATING AUTHORITY

The Fund is governed by the Investment Fund Regulations (the "Regulations") detailing requirements for all investments funds operating within the Kingdom of Saudi Arabia and published by the Capital Market Authority (the "CMA") on 3 Dhul Hijja 1427H (corresponding to 24 December 2006). The Regulations were further Amended by Resolution of the Board of the Capital Market Authority Number 2-22-2021 Dated 12 Rajab1442H. Corresponding to 24 February 2021G (the "Amended Regulations"). The amended regulations are effective from 19 Ramadan 1442, corresponding to 1 May 2021).

3. SUBSCRIPTION / REDEMPTION

The Fund is open for dealing before 12:00 pm on Sunday to Thursday (each day a "Dealing Day"). The net asset value (equity) of the Fund's portfolio is determined on each working day's closing prices (each "Valuation Day"). The unit price is calculated by subtracting the liabilities from the total assets value, then dividing the result (NAV) by the number of units outstanding on a valuation day.

4. BASIS OF PREPARATION

4.1 Statement of compliance

These financial statements have been prepared in accordance with International Financial Reporting Standards (“IFRS”) as issued by the International Accounting Standards Board (“IASB”), as endorsed in the Kingdom of Saudi Arabia and other standards and pronouncements issued by the Saudi Organisation for Chartered and Professional Accountants (“SOCPA”) (collectively referred to as “IFRS as endorsed in the KSA”) and the applicable provisions of the Investment Funds Regulations issued by the Board of the Capital Market Authority, and the Fund’s terms and conditions and the Information Memorandum.

4.2 Basis of measurement

These financial statements have been prepared under the historical cost convention except for investments carried at fair value through profit and loss (FVTPL).

4.3. Functional and presentation currency

These financial statements are presented in Saudi Arabian Riyal (SAR) which is also the functional currency of the Fund.

4.4. Financial year

The financial year of the Fund commences on 1 January and ends on 31 December of each calendar year.

4.5 Significant Accounting Judgements, Estimates, And Assumptions

In the ordinary course of business, the preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in future periods affected. Major areas where estimates or judgements made are significant to the Fund’s financial statements or where judgement was exercised in the application of accounting policies are as follows:

4. BASIS OF PREPARATION (Continued)

Use of Judgements

Assessment as investment entity

Entities that meet the definition of an investment entity under IFRS are required to measure their investments at fair value through profit or loss rather than applying equity accounting method or consolidation. The criteria, which define an investment entity, is as follows:

- an entity that obtains funds from one or more investors for the purpose of providing those investors with investment services.
- an entity that commits to its investors that its business purpose is to invest funds solely for returns from capital appreciation, investment income or both; and
- an entity that measures and evaluates the performance of substantially all its investments on a fair value basis. The Fund's investment proposal to the unit holders clearly states its objective of providing investment management services to investors, for the purpose of capital appreciation with a clearly documented exit strategy from the investment.

The Fund's investment proposal to the unit holders clearly states its objective of providing investment management services to investors, for the purpose of capital appreciation with a clearly documented exit strategy from the investment.

The Fund reports to its investors and to its management, the investment it manages on a fair value basis. The investment is reported at fair value to the extent allowed by accounting standards in the Fund's annual financials. The Fund's exit strategy for its investment is reviewed annually. Therefore, the Management concluded that the Fund meets the definition of an investment entity.

Going concern

The Fund's management has made an assessment of the Fund's ability to continue as a going concern and is satisfied that the Fund has the resources to continue in business for the foreseeable future. Furthermore, the management is not aware of any material uncertainties that may cast significant doubt on the Fund's ability to continue as a going concern. Accordingly, these financial statements have been prepared on a going concern basis.

4. BASIS OF PREPARATION (Continued)

Measurement of fair values

The Fund's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

When measuring the fair value of an asset or liability, the Fund uses observable market data as far as possible. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

- Level 1: quoted prices (unadjusted) in active markets for identical assets and liabilities.
- Level 2: inputs other than quoted priced included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Fund recognizes transfers between the levels of the fair value hierarchy at the end of the reporting year during which the change has occurred.

Impairment of financial assets

The Fund applies and determines expected credit loss (ECL) model for the measurement and recognition of impairment loss on the financial assets and credit risk exposure that are debt instruments and are measured at amortized cost e.g., bank balances. An expected credit loss is the probability weighted estimate of credit losses (i.e., present value of all cash shortfalls) over the expected life of the financial asset. For the determination of the expected credit loss, the fund evaluates among other factors, the credit risk, default and timing of collection since initial recognition. This requires recognizing allowance for expected credit losses in the statements of profit or loss and other comprehensive income.

5. APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRSs)

New standards, amendments and interpretations adopted by the Fund

Standard, interpretation and amendments	Description	Effective date
Narrow scope amendments to IAS 1, Practice statement 2 and IAS 8/IFRS 1	The amendments aim to improve accounting policy disclosures and to help users of the financial statements to distinguish between changes in accounting estimates and changes in accounting policies.	Annual periods beginning on or after 1 January 2023
IFRS 17, 'Insurance contracts', as amended in December 2021	This standard replaces IFRS 4, which previously permitted wide variety of practices in accounting for insurance contracts. IFRS 17 fundamentally changes the accounting all entities that issue insurance contracts and investment contracts with discretionary participation features.	Annual periods beginning on or after 1 January 2023
Amendment to IAS 12- deferred tax related to assets and liabilities arising from a single transaction	These amendments require companies to recognise deferred tax on transactions that, on initial recognition give rise to equal amounts of taxable and deductible temporary differences.	Annual periods beginning on or after 1 January 2023
Amendment to IAS 12- International tax reform – pillar two model rules-	These amendments give companies temporary relief from accounting for deferred taxes arising from the Organisation for Economic Co-operation and Development's (OECD) international tax reform. The amendment also introduce targeted disclosure requirements for affected companies	Annual period beginning on or after 1 January 2023

5. APPLICATION OF NEW AND REVISED INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRSs) (Continued)

Standards issued but not yet effective

Standard, interpretation and amendments	Description	Effective date
Amendments to IAS 1, 'Presentation of financial statements', on classification of liabilities	These narrow-scope amendments to IAS 1, 'Presentation of financial statements', clarify that liabilities are classified as either current or noncurrent, depending on the rights that exist at the end of the reporting period. Classification is unaffected by the expectations of the entity or events after the reporting date (for example, the receipt of a waiver or a breach of covenant). The amendment also clarifies what IAS 1 means when it refers to the 'settlement' of a liability.	Deferred until accounting periods starting not earlier than 1 January 2024
Amendments to IAS 1, 'Non-current Liabilities with Covenants'	Non-current Liabilities with Covenants amends IAS 1 Presentation of Financial Statements. The amendments improve the information an entity provides when its right to defer settlement of a liability for at least twelve months is subject to compliance with covenants. The amendments also respond to stakeholders' concerns about the classification of such a liability as current or non-current.	Annual periods beginning on or after 1 January 2024
Amendments to IFRS 10 and IAS 28	Sale or contribution of Assets between an Investor and its Associate or Joint Ventures	Available for optional adoption/effective date deferred indefinitely
Amendment to IFRS 16, 'Lease Liability in a Sale and Leaseback'	Lease Liability in a Sale and Leaseback amends IFRS 16 by adding subsequent measurement requirements for sale and leaseback transactions.	Annual periods beginning on or after 1 January 2024

6. MATERIAL ACCOUNTING POLICY INFORMATION

The accounting policies set out below have been adopted by the Fund and applied consistently throughout all years presented in these financial statements.

Financial instruments

Initial recognition and measurement of financial assets

All regular way purchases and sales of financial assets are recognized / derecognized on the trade date (i.e., the date that the Fund executes purchase or sale of the assets). Regular way purchase or sale of financial assets that require settlement of assets within the time frame generally established by regulation or convention in the marketplace.

All other financial assets and liabilities (including assets and liabilities designated at fair value through profit or loss) are initially recognized on trade date at which the Fund becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss is recognized immediately in profit or loss. For all other financial assets and financial liabilities transaction costs are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition.

6. MATERIAL ACCOUNTING POLICY INFORMATION (Continued)

De-recognition of financial assets

Financial assets are derecognized when the contractual rights to the cash flows from the financial assets expire, or when the financial assets and substantially all the risks and rewards are transferred.

Classification and subsequent measurement of financial assets

Financial assets are classified into the following specified categories:

- Financial assets at fair value through profit or loss (FVPL);
- Financial assets at fair value through other comprehensive income (FVOCI); or
- Financial assets at amortized cost.

Debt instruments

Debt instruments are those instruments that meet the definition of a financial liability from the issuer's perspective, such as loans, government and corporate Sukuk, Murabaha placement.

Classification and subsequent measurement of debt instruments depend on:

- (i) The Fund's business model for managing the asset; and
- (ii) The cash flow characteristics of the asset.

Financial assets at Amortized cost: Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and profit, are measured at amortized cost. The carrying amount of these assets is adjusted by any expected credit loss allowance recognized in profit or loss statement. Profit income from these financial assets is included in 'Special commission income' using the effective interest rate method.

Financial assets at Fair value through other comprehensive income: Financial assets that are held for collection of contractual cash flows and for selling the assets, where the assets cash flows represent solely payments of principal and profit, are measured at fair value through other comprehensive income. Movements in the carrying amount are taken through other comprehensive income, except for the recognition of impairment gains or losses, special commission income and foreign exchange gains and losses on the instrument's amortized cost are recognized in profit or loss statement.

When the financial asset is derecognized, the cumulative gain or loss previously recognized in other comprehensive income is reclassified from equity to profit or loss statement. Profit income from these financial assets is included in 'Special commission income' using the effective interest rate method.

Fair value through profit or loss: Financial assets that do not meet the criteria for amortized cost or FVOCI are classified as fair value through profit or loss. A gain or loss on a debt investment that is subsequently measured at fair value is presented in the statement of profit or loss in the year in which it arises.

6. MATERIAL ACCOUNTING POLICY INFORMATION (Continued)

Equity instruments

Equity instruments are instruments that meet the definition of equity from the issuer's perspective; that is, instruments that do not contain a contractual obligation to pay and that evidence a residual interest in the issuer's net assets. Examples of equity instruments include basic ordinary shares.

The Fund subsequently measures all equity investments at fair value through profit or loss, except where the Fund's management has elected, at initial recognition, to irrevocably designate an equity investment at fair value through other comprehensive income. The Fund's policy is to designate equity investments as FVOCI when those investments are held for purposes other than to generate investment returns. When this election is used, fair value gains and losses are recognized in OCI and are not subsequently reclassified to the statement of profit or loss, including on disposal. Impairment losses (and reversal of impairment losses) are not reported separately from other changes in fair value. Dividends, when representing a return on such investments, continue to be recognized in the statement of income as 'Dividend income' when the Fund's right to receive payments is established.

Impairment of financial assets

The Fund considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

In applying this forward-looking approach, a distinction is made between:

- financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ('Stage 1');
- financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ('Stage 2'); and
- 'Stage 3' would cover financial assets that have objective evidence of impairment at the reporting date. However, none of the Fund's financial assets fall into this category.

12-month expected credit losses are recognized for the first category while 'lifetime expected credit losses are recognized for the second and third category.

Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

6. MATERIAL ACCOUNTING POLICY INFORMATION (Continued)

Expected credit loss measurement

The Fund does not have a formal internal grading mechanism. Credit risks are generally managed on the basis of external credit ratings of counterparties.

Under the general approach of IFRS 9 impairment, the financial assets are classified into three stages. Each stage indicates the credit quality of the particular financial asset.

Stage 1: includes financial instruments that have not had a significant increase in credit risk since initial recognition or that have low credit risk at the reporting date. For these assets, 12-month expected credit losses ('ECL') are recognized and profit is calculated on the gross carrying amount of the asset (that is, without deduction for credit allowance).

Stage 2: includes financial instruments that have had a significant increase in credit risk since initial recognition (unless they have low credit risk at the reporting date) but that do not have objective evidence of impairment. For these assets, lifetime ECL are recognized, but profit is still calculated on the gross carrying amount of the asset.

Stage 3: includes financial instruments that have objective evidence of impairment at the reporting date. This stage has obligors that already are impaired (defaulted).

One of the key components of IFRS 9 ECL is to determine whether there have been significant increases in credit risk (SICR) of an entity's credit exposures since initial recognition. The assessment of significant deterioration is key in establishing the point of switching between the requirement to measure an allowance based on 12-month ECL and one that is based on lifetime ECL.

Definition of 'Default'

The Fund considers a financial asset to be in default when:

- the borrower is unlikely to pay its credit obligations to the Fund in full, without recourse by the Fund to actions such as realizing security (if any is held); or
- the borrower is past due more than 90 days on any material credit obligation to the Fund. Overdrafts are considered as being past due once the customer has breached an advised limit or been advised of a limit smaller than the current amount outstanding.

In assessing whether a borrower is in default. The Fund considers indicators that are:

- qualitative- e.g., breaches of covenant;
- quantitative- e.g., overdue status and non-payment on another obligation of the same issuer to the Fund; and
- based on data developed internally and obtained from external sources.

Inputs into the assessment of whether a financial instrument is in default and their significance may vary over time to reflect changes in circumstances.

The definition of default largely aligns with that applied by the Fund for regulatory capital purposes. conditions. To derive PiT PDs, the Fund will annually source macro-economic forecast data for selected variables from appropriate sources.

6. MATERIAL ACCOUNTING POLICY INFORMATION (Continued)

Probability of Default (PD)

Through the yearly review of investments in debt instruments, the Fund shall draw a yearly transition matrix to compute account-based PD over the one-year horizon for the past 5 years. These PDs will be grouped as per credit ratings. This rating migration shall capture the movement of obligors into default at yearly intervals. An average default rate of the 5 yearly transition matrices provides the through the cycle PDs. IFRS 9 requires the use of a PD that is a 'point-in-time' (PiT PD) estimate reflecting current forecasts of future economic conditions. To derive PiT PDs, the Fund will annually source macro-economic forecast data for selected variables from appropriate sources.

Loss Given Default (LGD)

Loss given default is defined as the forecasted economic loss in case of default. LGD computation will be based on the Fund's losses on defaulted accounts after the consideration of recovery percentages. IFRS 9 also requires that LGD be estimated in collaboration with the forward-looking valuation of collaterals based on macro-economic factors. LGD computation is independent of the assessment of credit quality and thus applied uniformly across all stages.

For LGD estimation on its non-collateralized portfolio, the Fund shall compute LGD based on actual recoveries on its defaulted portfolio over a period of at least 5 years prior to the assessment date. Exposure at Default (EAD)

Exposure at default is an estimation of the extent that the Fund may be exposed to an obligor in the event of default. The estimation of EAD should consider any expected changes in the exposure after the assessment date. This is of importance in the case of Stage 2 assets where the point of default may be several years in the future.

Discount rate

The Fund will compute effective profit rate at a contractual level. If the computation of the effective profit rate (at reporting date) is not feasible, the Fund will use the contractual profit (at reporting date) for discounting purposes.

The Fund Manager has performed an ECL assessment for the financial assets. An allowance for impairment over these financial assets was not recognized in these financial statements as the ECL amount was not material.

Fair value measurement

'Fair value' is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date in the principal or, in its absence, the most advantageous market to which the Fund has access at that date. The fair value of a liability reflects its non-performance risk.

When available, the Fund measures the fair value of an instrument using the quoted price in an active market for that instrument. A market is regarded as 'active' if transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The Fund measures instruments quoted in an active market at the market price because this price provides a reasonable approximation of the exit price.

Offsetting of financial liabilities and financial assets

Financial assets and financial liabilities are offset and the net amount is presented in the statement of assets and liabilities when, and only when, the Fund currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realize the asset and settle the liability simultaneously.

6. MATERIAL ACCOUNTING POLICY INFORMATION (Continued)

Trade date accounting

All regular way purchases and sales of financial assets are recognized / derecognized on the trade date (i.e., the date that the Fund commits to purchase or sell the assets). Regular way purchases or sales are purchases or sales of financial assets that require settlement of assets within the time frame generally established by regulation or convention in the marketplace.

Amounts due to and due from brokers

Amounts due to brokers are payables for securities purchased (in a regular way transaction) that have been contracted for, but not yet delivered, on the reporting date. Refer to the accounting policy for financial liabilities, other than those classified as at FVTPL, for recognition and measurement.

Amounts due from brokers include margin accounts and receivables for securities sold (in a regular way transaction) that have been contracted for, but not yet delivered, on the reporting date. Margin accounts represent cash deposits held with brokers as collateral against open futures contracts.

Provisions

Provisions are recognized when the Fund has an obligation (legal or constructive) arising from a past event, and the costs to settle the obligation are both probable and can be measured reliably. If the effect of time value of money is material, provisions are discounted using a current pretax rate that reflects, where appropriate, the risk specific to the liability. When discounting is used, the increase in the provision due to passage of time is recognized as finance costs.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured.

Accrued expenses and other liabilities.

A provision is recognised when the Fund has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate of the amount can be made.

Equity attributable to unitholders

The net assets attributable to the unitholders comprise redeemable units issued and accumulated profit generated by the Fund. The redeemable units are classified as equity as explained below.

6. MATERIAL ACCOUNTING POLICY INFORMATION (Continued)

Redeemable Units

Redeemable units are classified as equity instruments when:

- The redeemable units entitle the Unitholder to a pro rata share of the Fund's net assets in the event of the Fund's liquidation
- The redeemable units are in the class of instruments that is subordinate to all other classes of instruments
- All redeemable units in the class of instruments that is subordinate to all other classes of instruments have identical features
- The redeemable units do not include any contractual obligation to deliver cash or another financial asset other than the Unitholder's rights to a pro rata share of the Fund's net assets
- The total expected cash flows attributable to the redeemable units over the life of the instrument are based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund over the life of the instrument

In addition to the redeemable shares having all of the above features, the Fund must have no other financial instrument or contract that has:

- Total cash flows based substantially on the profit or loss, the change in the recognised net assets or the change in the fair value of the recognised and unrecognised net assets of the Fund
- The effect of substantially restricting or fixing the residual return to the redeemable shareholders

The Fund continuously assesses the classification of the redeemable units. If the redeemable units cease to have all the features, or meet all the conditions set out, to be classified as equity, the Fund will reclassify them as financial liabilities and measure them at fair value at the date of reclassification, with any differences from the previous carrying amount recognised in net assets attributable to the Unitholders. If the redeemable units subsequently have all the features and meet the conditions to be classified as equity, the Fund will reclassify them as equity instruments and measure them at the carrying amount of the liabilities at the date of the reclassification.

The issuance, acquisition and cancellation of redeemable units are accounted for as equity transactions.

No gain or loss is recognised in the statement of comprehensive income on the purchase, issuance or cancellation of the Fund's own equity instruments.

Foreign currency translation

Transactions in foreign currencies are translated into SR at the exchange rate at the dates of the transactions. Foreign exchange gains and losses arising from translation are included in the statement of comprehensive income.

Monetary assets and liabilities denominated in foreign currencies are retranslated into SR at the exchange rate at the reporting date.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined.

Foreign currency differences arising on retranslation are recognised in the statement of comprehensive income as net foreign exchange losses, except for those arising on financial instruments at FVTPL, which are recognized as a component of net gain from financial instruments at FVTPL.

6. MATERIAL ACCOUNTING POLICY INFORMATION (Continued)

Net gain or loss on financial assets and liabilities at Fair Value through Profit or Loss (“FVTPL”)

Net gains or losses on financial assets and liabilities at FVTPL are changes in the fair value of financial assets and liabilities held for trading or designated upon initial recognition as at FVTPL and exclude special commission and dividend income and expenses.

Unrealised gains and losses comprise changes in the fair value of financial instruments for the year and from reversal of the prior year’s unrealised gains and losses for financial instruments which were realised in the reporting period. Realised gains and losses on disposals of financial instruments classified as at FVTPL are calculated using the weighted average cost method. They represent the difference between an instrument’s initial carrying amount and disposal amount, or cash payments or receipts made on derivative contracts (excluding payments or receipts on collateral margin accounts for such instruments).

Net assets value per unit

The net assets value per unit disclosed in the statement of financial position is calculated by dividing the net assets of the Fund by the number of units in issue at the reporting date.

Zakat

Zakat is the obligation of the Unitholder and is not provided for in these financial statements.

Dividend income

Dividend income is recognized in the statement of profit or loss when declared (i.e. when the Fund’s right to receive the dividend is established).

Special commission income

Special commission income including special commission income from non-derivative financial assets measured at amortized cost, are recognized in the statement of comprehensive income, using the effective interest method. The effective interest rate is the rate that exactly discounts the estimated future cash payments and receipts through the expected life of the financial instrument (or, when appropriate, a shorter period) to the carrying amount of the financial instrument on initial recognition. When calculating the effective interest rate, the Fund estimates future cash flows considering all contractual terms of the financial instrument, but not future credit losses.

6. MATERIAL ACCOUNTING POLICY INFORMATION (Continued)**Management fees, Other expenses, and Transaction fees**

The fund pays on a quarterly basis, management fees of 0.3% and administration fees of 0.05% calculated on daily net assets value. Custody fees is paid to the custodian based on asset classes of the fund with a maximum cap of 0.06% on the annual net asset value and minimum monthly charge of SR2,000.

	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)

Fair Value:		
At the beginning of the period	67,142,182	77,136,876
Additions during the period	8,625,472	40,724,088
Sold during the period	(57,947,207)	(50,718,782)
At the end of the period	17,820,447	67,142,182
Realized and unrealized gain / losses:		
Unrealized balance at the beginning of the period	(1,983,837)	(4,369,675)
Realized during the period	(5,929,087)	(2,154,258)
Unrealized balance at the end of the period	3,377,548	7,489,075
Movement during the period	4,535,376	965,142

9. MURABAHA PLACEMENTS

The following table provides the details of the Islamic financing portfolio at the end of reporting dates in the banks of the following countries:

	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)
United Arab Emirates (UAE)	-	10,553,434
Sultanate of Oman	-	18,198,047
Kingdom of Saudi Arabia	11,032,857	-
Kingdom of Bahrain	18,998,609	17,528,899
Total	30,031,466	46,280,380

The following table represents the movement of investments in Murabaha contracts measured at amortized cost during the period:

	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)
Carrying amount as at the beginning of period	46,280,380	146,605,972
Additions during the period	363,265,707	46,280,944
Matured during the period	(379,158,667)	(146,607,824)
Murabaha income	2,175,680	4,010,930
Murabaha income received during the period	(2,531,634)	(4,009,642)
Carrying amount as at the end of period	30,031,466	46,280,380

Murabaha placements include placements with maturities of 3 months or less amounting SAR 10.4 million (31 December 2022: SAR 7.23 million).

Commodity Murabaha placements include commodities such as aluminum, platinum, palladium, and crude palm oil whereby all the Murabaha placements will mature within a period of less than 12 months.

The rate of profit on Murabaha placements ranges from 3.20% to 6.45% per annum.

The Fund Manager has performed an ECL assessment for the financial assets carried at amortized cost. An allowance for impairment over these financial assets was not recognized in the financial statement as the amount was insignificant.

10. INVESTMENT HELD AT AMORTIZED COST - SUKUK

The following table represents the movement of investments in Sukuk measured at amortized cost during the period:

	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)
Carrying amount at the beginning of the period	8,055,222	-
Additions during the period	-	32,322,778
Matured during the period	-	(24,248,889)
Sukuk profit recognized	280,000	267,556
Sukuk profit received during the period	(280,778)	(286,223)
Carrying amount at the end of the period	8,054,444	8,055,222

The investment in Sukuk represents the Sukuk issued by Al Rajhi Bank rated A-. The Sukuk bears profit, payable on a quarterly basis priced at 3.5%.

11. ACCRUALS AND OTHER LIABILITIES

	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)
Accrued management fees	37,440	348,141
Administration fee payable	6,239	58,024
Custody fee payable	208,536	217,977
Audit Charges payable	50,606	9,500
Publication Tadawul fee payable	18,977	13,963
Board of director fee payable	9,945	25,000
Shariah board fee payable	20,147	20,126
Regulatory fee payable	10,441	17,900
VAT payables	45,544	94,415
Other payables	337,731	88,914
	745,606	893,960

12. RELATED PARTY TRANSACTIONS AND BALANCES

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions. In considering each possible related party relationship, attention is directed to the substance of the relationship, not merely the legal form.

Related parties of the Fund include SICO Capital being the Fund Manager, SICO Bank Bahrain (the shareholder of SICO Capital), with the underlying properties of the Fund being custodized with Riyad Capital (being the custodian of the Funds).

12. RELATED PARTY TRANSACTIONS AND BALANCES (Continued)

The significant related party transactions entered into by the Fund during the year are as follows:

Related party	Nature of relationship	Nature of transaction	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)
SICO Capital Company	Fund manager	Management fees	248,527	662,325
		Administration fees	41,421	110,388
Riyad Capital	Fund Custodian	Custodian fees	47,679	132,466

Related party	Nature of relationship	Nature of transaction	31 December 2023 (units)	31 December 2022 (units)
SICO Capital Company	Fund Manager	Units held	1,156,748	365,389
SICO Al Qasr Real Estate Fund	Affiliate	Units held	1,046,264	-
SICO Saudi REIT Fund	Affiliate	Units held	953,077	127,336
SICO Bank B.S.C	Affiliate	Units held	831,953	434,882
SICO Capital Khairat fund	Affiliate	Units held	106,414	-
Riyadh Real Estate Fund	Affiliate	Units held	-	254,624

The balances resulting from related party transactions are as follows:

Related party	Nature of relationship	Nature of transaction	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)
SICO Capital Company	Fund manager	Management fees payable*	37,440	348,141
		Admin fees *	6,239	58,024
Riyad Capital	Fund Custodian	Custodian fees *	208,536	217,977

* These balances have been recorded under other accrued expenses.

13. FAIR VALUE OF FINANCIAL INSTRUMENTS

Management believes that the fair value of all other financial assets and liabilities are classified as amortised cost and at the reporting date approximate their carrying values owing to their short-term tenure and the fact that these are readily liquid. There were no transfers between various levels of fair value hierarchy during the current year or prior year.

14. MATURITY ANALYSIS OF ASSETS AND LIABILITIES

The table below shows an analysis of assets and liabilities according to when they are expected to be recovered or settled respectively:

As at 31 December 2023	Within 12 months SAR (Audited)	After 12 months SAR (Audited)	Total SAR (Audited)
ASSETS			
Cash at bank	738,776	-	738,776
Murabaha placements	30,031,466		30,031,466

16. FINANCIAL RISK MANAGEMENT**16.1 Financial risk factors**

The objective of the Funds is to continue to provide optimum returns to its unitholders. The Fund's activities expose it to a variety of financial risks: market risk, credit risk, liquidity risk and operational risk.

The Fund Manager is responsible for identifying and managing risks. The Fund Board supervises the Fund Manager and is ultimately responsible for the overall management of the Fund.

Monitoring and managing risk is primarily set up to be performed based on the limits established by the Fund Board. The Fund has its Terms and Conditions document that set out its overall business strategies, its tolerance of risks and its general risk management philosophy and is obliged to take actions to rebalance the portfolio in line with the investment guidelines.

The Fund uses different methods to measure and manage the various types of risk to which it is exposed; these methods are explained below.

(a) Market risk*(i) Foreign exchange risk*

Foreign exchange risk is the risk that the value of future cash flows of a financial instrument will fluctuate due to changes in foreign exchange rates and arises from financial instruments denominated in foreign currency.

(ii) Commission rate risk

Commission rate risk is the risk that the value of the future cash flows of a financial instrument or fair values of fixed coupon financial instruments will fluctuate due to changes in market commission rates.

The Fund is exposed to commission rate risk as the financial instrument is priced at variable rate.

		31 December		31 December
		2023		2022
		SAR		SAR
Sukuk	±5%	402,761	±5%	402,761

16. FINANCIAL RISK MANAGEMENT (Continued)*(iii) Price risk*

Price risk is the risk that the value of the Fund's financial instruments will fluctuate as a result of changes in market prices caused by factors other than foreign currency and commission rate movements.

The Fund has exposure to equity instruments' price risk as the Fund holds such investments.

The table below summarizes the impact on the Fund's net assets (equity), of reasonable possible changes in the returns of each of the strategies to which the Fund is exposed through its investment in funds at year end. A reasonably possible change is management's assessment, based on historical data sourced from the underlying Investee Funds, of what a reasonably possible percentage movement is in the value of a fund following each respective strategy over a 6-month period, in SAR. The impact on net assets (equity) attributable to holders of redeemable shares is calculated by applying the reasonably possible movement determined for each strategy to the value of each Investee Fund held by the Fund.

	31 December 2023		31 December 2022	
	Reasonable possible change %	Impact on net assets (equity)	Reasonable possible change %	Impact on net assets (equity)
Murabaha Funds	+/- 1%	402,722	+/- 1%	+/- 462,803

(b) Credit risk

The Fund is exposed to credit risk, which is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Fund is exposed to credit risk for its investment portfolio and bank balances.

Its Fund's policy to enter into financial instrument contracts with reputable counterparties. The Fund seeks to limit its credit risk by monitoring credit exposures, limiting transactions with specific counterparties and continually assessing the creditworthiness of counterparties. The Fund is exposed to credit risk for its cash and cash equivalents, investments carried at amortized cost, other assets. Bank balances are placed with reputable financial institutions; hence the credit risk is minimal.

16. FINANCIAL RISK MANAGEMENT (Continued)*Credit ratings*

The credit quality of the Fund's cash and cash equivalent balances are assessed with reference to external credit ratings which, in all cases, are above investment-grade rating. The cash and cash equivalent balances along with credit ratings are tabulated below:

Rating of Financial Institution	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)
Cash at bank		
A-2	738,776	52,371,869
Total	738,776	52,371,869
Murabaha placements		
Unrated	12,767,850	28,079,176
B	6,230,759	-
B-	-	18,198,047
A-	11,032,857	-
A+	-	-
BBB+	-	3,157
Total	30,031,466	46,280,380
SUKUK		
baa2	8,054,444	8,055,222
Total	38,085,910	106,707,471

The following table shows maximum exposure to credit risk for the components of the statement of financial position.

	<i>Notes</i>	31 December 2023 SAR (Audited)	31 December 2022 SAR (Audited)
Cash at bank	7	738,776	52,371,869
Murabaha placements	9	30,031,466	46,280,380
Sukuk	10	8,054,444	8,055,222

The management has conducted a review as required under IFRS 9 and based on an assessment, the management believes that there is no need for any significant impairment loss against the carrying value of cash at bank, sukuk and murabaha placements.

16. FINANCIAL RISK MANAGEMENT (Continued)

(c) Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The Fund's terms and conditions provide for subscription and redemption of units on every Valuation Day and it is, therefore, exposed to the liquidity risk of meeting redemptions at any time. The Fund's securities are considered to be readily realizable, and they can be liquidated at any time. However, the Fund Manager has established certain liquidity guidelines for the Fund and monitors liquidity requirements on a regular basis to ensure sufficient funds are available to meet any commitments as they arise, either through new subscriptions, liquidation of the investment portfolio or by obtaining financing from the related parties of the Fund.

The remaining contractual maturities at the reporting date of the Fund's financial liabilities consisting of accrued management fee, other accrued expenses and redemption payable will be matured within next 12 months:

(d) Operational risk

Operational risk is the risk of direct or indirect loss arising from a variety of causes associated with the processes, technology and infrastructure supporting the Fund's activities either internally or externally at the Fund's service provider and from external factors other than credit, liquidity, currency and market risks such as those arising from the legal and regulatory requirements.

The Fund's objective is to manage operational risk so as to balance limiting of financial losses and damage to its reputation with achieving its investment objective of generating returns to unitholders.

16.2 Fair value estimation

The fair value for financial instruments traded in active markets is based on quoted market prices at the close of trading on the financial reporting date. Instruments for which no sales were reported on the valuation day are valued at the most recent bid price.

An active market is a market in which transactions for the asset or liability take place with sufficient frequency and volume to provide pricing information on an ongoing basis. The carrying value less impairment provision, if any, of financial instrument carried at amortized cost are assumed to approximate their fair values.

The fair value hierarchy has the following levels:

- Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- Level 2 inputs are inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and
- Level 3 inputs are unobservable inputs for the asset or liability.

Investments whose values are based on quoted market prices in active markets, and are therefore classified within Level 1, include active listed equity instruments. The Fund does not adjust the quoted price for these instruments.

As of December 31, 2023, the Fund's financial instruments comprise cash and cash equivalent, Investment carried at fair value through profit and loss, Murabaha placements, accrued management fee and other accrued expenses. Investments carried at fair value through profit or loss are held in level 2 hierarchy of fair value. To determine the fair value of such investments, management used NAV of the funds. There were no transfers among the level 1, 2 and 3 during the year ended December 31, 2023.

17. CHANGES IN FUNDS TERMS AND CONDITIONS

The changes to the Fund's terms and conditions reflect the following key change during the period;

- Resignation of Independent Board Member: Mr. Ibrahim Fatani.
- Change of fund auditors from PKF Al Bassam & Co to Ernst & Young Professional Services.
- Updating the zakat clause to reflect the implementation of the rules for collecting zakat from investors in investment funds (note 19).

18. EVENTS AFTER THE END OF THE REPORTING PERIOD

As of the date of approval of these financial statements, there have been no significant subsequent events requiring disclosure to or adjustment in these financial statements.

19. ZAKAT

The Ministry of Finance, through Ministerial Resolution No. (29791) dated 9 Jumada-al-Awwal 1444 H (which corresponds to December 3, 2022), has approved the Zakat Rules for Investment Funds that are permitted by the CMA. These rules take effect from January 1, 2023, and require Investment Funds to register with the Zakat, Tax, and Customs Authority (ZATCA). The Rules also mandate Investment Funds to submit a zakat information declaration to ZATCA within 120 days after the end of their fiscal year, which should include audited financial statements, records of related party transactions, and any other data requested by ZATCA. According to the Rules, Investment Funds are not subject to Zakat if they do not engage in unstipulated economic or investment activities as per their CMA-approved Terms and Conditions. The Zakat collection will be applied to the Fund's Unitholders. During the current year, the Fund Manager has completed the registration of the Fund with ZATCA and will be submitting the zakat information declaration as required.

20. LAST VALUATION DAY

In accordance with the Terms and Conditions of the Fund, the last valuation day of the year was 31 December 2023 (2022: 31 December 2022).

21. APPROVAL OF THE FINANCIAL STATEMENTS

These financial statements were approved by the Fund's Board on 27 March 2024 (Corresponding to 17 Ramadan 1445H).

تقرير اللجنة الشرعية لصندوق سيكو المالية لأسواق النقد لعام 2023

26 مارس 2024

الحمد لله وحده، والصلاة والسلام على من لا نبي بعده، وعلى آله وصحبه.

إلى السادة / حملة وحدات صندوق سيكو المالية لأسواق النقد المحترمين
الرياض - المملكة العربية السعودية

هدف ونطاق التدقيق

قمنا بتدقيق العقود والمعاملات التي نفذها صندوق سيكو المالية لأسواق النقد (الصندوق) خلال السنة المنتهية في 2023/12/31 لإبداء الرأي في مدى التزام الصندوق بأحكام الشريعة الإسلامية كما هي المعايير الشرعية للمؤسسات المالية الإسلامية الصادرة عن هيئة المحاسبة والمراجعة للمؤسسات المالية الإسلامية (أيوبي) وقرارات هيئة السوق المالية ذات الصلة.

مسؤولية الإدارة عن الالتزام الشرعي

تقع مسؤولية الالتزام بتنفيذ العقود والمعاملات طبقاً لأحكام الشريعة الإسلامية على إدارة الصندوق، كما أن الإدارة مسؤولة عن الرقابة الشرعية الداخلية التي تراها ضرورية لضمان تنفيذ العقود والمعاملات طبقاً لأحكام الشريعة الإسلامية.

الاستقلالية والمتطلبات الأخلاقية الأخرى ورقابة الجودة

لقد التزمنا بالاستقلالية والمتطلبات الأخلاقية الأخرى كما هي في "مدونة الأخلاقيات للمهنيين في مجال التمويل الإسلامي" الصادرة عن هيئة المحاسبة والمراجعة للمؤسسات المالية الإسلامية، لقد التزمنا بمتطلبات المعيار الدولي لإدارة الجودة رقم 1 "إدارة الجودة للمكاتب التي تنفذ ارتباطات مراجعة أو فحص للقوائم المالية أو ارتباطات التأكيد الأخرى أو ارتباطات الخدمات ذات العلاقة"، مع مراعاة للوائح والقوانين التنظيمية لهيئة السوق المالية.

المسؤولية ووصف العمل المنجز

تتمثل مسؤوليتنا في إبداء الرأي في مدى التزام الصندوق بأحكام الشريعة الإسلامية بناءً على تدقيقنا. وقد تم تدقيقنا وفقاً لمعايير الحوكمة ومعايير التدقيق الصادرة عن هيئة المحاسبة والمراجعة للمؤسسات المالية الإسلامية ومبدأ الأهمية النسبية

أصول للاستشارات الشرعية هي شركة مهنية مؤسسة في دولة الكويت تم إنشاؤها بتحالف عدد من الشركاء الشرعيين والمهنيين في مجال المالية الإسلامية وتمتع بحضور مميز على صعيد المؤسسات المالية والاستثمارية الإسلامية في دول مجلس التعاون الخليجي.

والذي يختلف بحسب حجم عميل التدقيق وطبيعة عملياته ومخاطره الشرعية وإظهار الملاحظات - إن وجدت - في هذا التقرير . وتتطلب هذه المعايير أن تمثل متطلبات السلوك الأخلاقي للمهنة وأن نقوم بتخطيط وأداء التدقيق للحصول على تأكيد معقول بأن الصندوق ملتزم بأحكام الشريعة الإسلامية. إن التأكيد المعقول هو مستوى عالٍ من التأكيد، لكنه لا يضمن بأن عملية التدقيق الشرعي سوف تكشف دائماً عن المخالفات الشرعية عند وجودها.

وتتضمن أعمال التدقيق أداء إجراءات للحصول على أدلة تدقيق حول مدى الالتزام بأحكام الشريعة الإسلامية، لقد قمنا بتدقيقنا بناءً على عينة منهجية مختارة، ونعتقد بأن أدلة التدقيق التي حصلنا عليها كافية ومناسبة كأساس لإبداء رأي التدقيق الخاص بنا. وكجزء من عملية التدقيق الشرعي فإننا نمارس التقدير المهني ونحافظ على الشك المهني طوال فترة التدقيق، بحيث نقوم بأعمالنا على النحو التالي:

- تحديد واعتماد المرجعية الشرعية.
- تحديد وتقييم مخاطر عدم الالتزام الشرعي.
- تصميم إجراءات التدقيق بما ينسجم مع مخاطر عدم الالتزام الشرعي.
- القيام بعملية التدقيق الشرعي والحصول على المستندات المؤيدة.
- الحصول على أدلة تدقيق كافية ومناسبة توفر أساساً لإبداء رأينا.

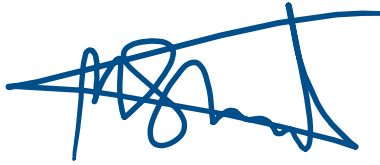

الرأي

إن العقود والمعاملات التي قام بها صندوق سيكو المالية لأسواق النقد (الصندوق) خلال السنة المنتهية في 2023/12/31 والتي اطلعنا عليها تمت في مجملها وفقاً لأحكام الشريعة الإسلامية.
